Life Every Voice and Sing

Lift every voice and sing
Till earth and heaven ring
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the list'ning skies, let it resound loud as the rolling sea
Sing a song full of faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the day that hope unborn had died;
Yet with a steady beat,
Have not our weary feet,
Come to the place on which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered,
Out from the gloomy past, till now we stand at last
Where the white gleam of our star is cast.

God of our weary years,
God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by thy might,
Led us into the light,
Keep us forever in the path, we pray
Lest our feet stray from the places, our God, where we met thee,
Least our hearts, drunk with the wine of the world, we forget thee,
Shadowed beneath the hand,
May we forever stand,
True to our God,
True to our native land.

KEYNOTE SPEAKER

Diamond Guy

Diamond Rose Guy was born in Queens, NY, and moved to Rochester, NY in 2007. She attended the School of the Arts High School as a Drama Major, where she enjoyed performing on stage in school productions while maintaining high honor roll as a Nation Honor Society member. Outside of classes, she volunteered her time by serving meals to the homeless, teaching youth art/dance lessons, and singing in nursing homes to uplift the elderly for a non-for-profit youth group, Encouragement Lions of Judah. She gained employment with the University of Rochester Medical Center as an oral surgery program trainee by completing the Youth Employment Training Academy (YETA). In June 2017, she received her advanced Regents Diploma with Mastery in Science, graduating with a 4.32 / 4.5 GPA.

In her freshman year at RIT, she received the Destler-Johnson Rochester City Scholars award. Diamond is in her senior year as a biomedical science major at Rochester Institute of Technology. She is an active member of RIT's Honors Program and has achieved the highest level of scholarship by making the Dean's List in 7 consecutive semesters. Diamond has served as a teaching assistant for general and organic chemistry, participates in a work-study program, and a resident advisor, fostering community and dorm safety over the past 3-years. Currently, she researches how microbes affect the cardiovascular system. After RIT, Diamond anticipates matriculating into medical school in Fall 2021 to fulfill her career goal of being a Dermatologist.
